Vasant Kunj, Phase II,
New Delhi – 110 070

Sub.: Authorization and undertaking with reference to MSISDN Numbers

Dear Sir,

I /We, ***(Name, giving this authorization)***, hereby represent and warrant to provide the following authorization and undertaking.

That all the relevant documents to this effect are enclosed along with this authorization and undertake to immediately provide Bharti Airtel Limited (Airtel), all the document or information, in the form and manner as may be requested in this regards.

I / We, hereby represent and warrant that I/We have subscribed to Persistent Systems Limited's Location Gateway Service which uses Airtel's TraceMATE Services (together Services), a mobile application / telecom enabled service which among other facilities enables Airtel to trace / track all the movements of the user of the said MSISDN, has been activated on the same. I / We hereby represent and warrant that I/We have subscribed to the service in order to trace and track the movements of our employees, agents, partners, business associates (hence forth referred as "personnel") who have been issued Airtel MSISDNs (SIMs). The list of personnel & the MSISDN no. used by them are appended herewith.

I / We hereby further represent and warrant that I/We have clearly & categorically informed the said personnel regarding the activation of the said Services on the said MSISDN issued to him / her & the purpose & capabilities of the said Services & have also obtained a Letter of Undertaking from the said personnel and handed over the same to Airtel wherein the said personnel has acknowledged the activation of services on the MSISDN used by him / her.

I / We, hereby represent and warrant that I/We would always maintain an updated list of all our personnel on which the said Services have been activated, & to obtain a fresh Letter of Undertaking from every new personnel on whose MSISDN we wish to activate the service in future & to promptly hand over the same to Airtel.

I/We hereby authorize, permit, allow and grant my/our unconditional and irrevocable consent and rights in favor of Airtel, its employees, authorized personnel, officers or nominees to do or allow to do all or any of the acts, matters or things, namely, install, commission, the purposes of the services provided by Airtel, trace and track the MSISDN, extract, compile, maintain, records thereof or any information relating thereto. I/We hereby acknowledge, agree and warrant that Airtel shall have all the proprietary rights, interests and ownership in all or any information, data, reports, records.

I/We hereby acknowledge and agree that Airtel is not liable or responsible, either to us or any party, for any claims of whatsoever nature that may arise or relate to the services provided by Airtel.

Thanking You,

(Name of the person giving the authority)
